#### 4. FC247/25- MINUTES

Following a review of the minutes of 26 February 2026, it was identified that Minute FC243/25 summarised the discussion but did not set out the formal motions resolved by Council.

#### FC243/25 – Matters Relating to Parish-Owned Buildings

Members considered matters relating to the potential future use of parish-owned buildings for GP or primary care provision. The following motions were formally agreed:

##### 1. Transparent and Impartial Process

Members **AGREED** in principle, improved GP or primary care services within Chigwell, and **AGREED** that any proposals must follow a transparent and impartial process, including due diligence, assessment of all options, and appropriate consultation. No commitment will be made to any particular provider until the process is complete and considered by Full Council.

##### 2. Working Group

Members **APPROVED** the establishment of a Working Group to gather information, assess risks and implications, and prepare recommendations for Full Council. Draft Terms of Reference will be presented to members for approval.

##### 3. Deferral Pending Further Information

Members **AGREED** to **DEFER** the matter to a future meeting pending additional information and clarifications requested during discussion.

##### 4. Governance Requirements

Members **AGREED** that any binding agreement or commitment relating to parish-owned premises must return to Full Council for approval. Members further **AGREED** that no public statement will be issued on this matter until confirmed as appropriate by the Clerk.

Members raised queries regarding the minutes of the previous Full Council meeting. As several points related to confidential matters and commercially sensitive information, it was **AGREED** that clarification would be provided during the closed session (**Appendix 1**)

The minutes of the Annual Parish Assembly were **APPROVED** as presented (**Appendix 2**)

#### 5. FC248/25- PUBLIC PARTICIPATION

The Chair invited comments from members of the public.

Representatives of the Chigwell Row Operatic and Dramatic Society (CROADS) addressed the Council, outlining the society's history and current challenges, and requesting a reduced

commercial hire rate for Victory Hall. A member of the public also voiced support for CROADS and raised concerns about the Council's approach to community use of the hall. The Speedwatch coordinator informed members that he wished to step down from the role and agreed to return the speed detection equipment. Members **NOTED** all comments for consideration under the relevant agenda items later in the meeting.

#### 6. FC249/25- POLICIES FOR REVIEW AND ADOPTION

- The Clerk presented the proposed IT Policy, previously supported in principle by the Finance & Governance Committee. Members **NOTED** gaps in councillors' IT knowledge, particularly regarding data management and the secure use of council systems and raised concerns over the use of personal devices for council business. It was **AGREED** that officers would explore IT training options for councillors, and the IT Policy was **APPROVED** for adoption ([Appendix 3](#))
- Members received the officer report on the proposed amendment to the Staff Handbook, previously supported in principle by the Finance & Governance Committee. The amendment adds "vape" to the existing prohibition on smoking and e-cigarettes on Council premises to reflect current health and safety guidance. Members **SUPPORTED** the clarification, noting it strengthened compliance and promoted a safe working environment. The amendment was **APPROVED** for adoption ([Appendix 4](#))
- Members considered the officer report on the proposed amendment to the Allotments Agreement, previously supported in principle by the Finance & Governance Committee. The amendment delegates authority for approving allotment structures from "the Council" to "the Clerk", enabling timely, feasibility-based decisions. Tenants will be required to obtain prior written consent for any new structure, supported by dimensions and a location plan, while existing structures will be treated as legacy installations. Members **AGREED** the amendment, which formalises a proportionate and efficient approach, and **APPROVED** it for adoption. ([Appendix 5](#))

#### 7. FC250/25- TENDER FOR WORKS

Members **RECEIVED** an update from the Clerk and **NOTED** progress on the tender document for Community Hub and Victory Hall improvement works and were updated that the deadline to submit the application to Epping Forest District Council has been extended beyond the original 31st March deadline to September. #### 8. FC250/25- STANDING ORDERS AMENDMENT TO ALIGN WITH FINANCIAL REGULATIONS

Members **NOTED** the Finance & Governance Committee's recommendation that Standing Order 18(a)(v) is inconsistent with Financial Regulation 5.6. Members **AGREED** to amend Standing Order 18(a)(v) to confirm that contracts under £30,000 (inc. VAT), or those exempt in special circumstances, do not require formal tendering, and to align

Standing Orders with Financial Regulation 5.6 so that contracts over £30,000 (inc. VAT) require formal tendering (three tenders or an open invitation).

None.

#### 14. FC256/25- DATE OF THE NEXT MEETING

Thursday 30 April at 7.00pm

#### 15. FC257/25- EXCLUSION OF THE PUBLIC AND THE PRESS

As the Agenda contains items where the public interest in maintaining confidentiality may outweigh the public interest in the item being made public, members **CONSIDERED** and **AGREED** the following motion proposed by the Chair: "That the public and the press be excluded from the meeting, the Council believing that publicity would be prejudicial to the public interest by reason of the confidential nature of the business about to be discussed."

#### 16. FC258/25- PARISH OFFICES PROPOSAL

(**Confidential Appendix 1**)
