Notes on Declarations of Interest

Members with a disclosable pecuniary interest in an item should withdraw from the room while that item is being considered. Members should also leave the room if their continued presence is not compatible with the Council's Code of Conduct or the Seven Principles of Public Life.

The disclosure must include the nature of the interest. If you become aware during meeting of an interest that has not been disclosed under this item you must immediately disclose it. You may remain in the meeting and take part fully in discussion and voting unless the interest is prejudicial.

A personal interest is prejudicial if a member of the public with knowledge of the relevant facts would reasonably regard it as so significant that it is likely to prejudice your judgement of the public interest and it relates to a financial or regulatory matter.

It is not practical to offer detailed advice during the meeting on whether or not a personal interest should be declared, or whether a personal interest should be regarded as a Disclosable Pecuniary Interest. Members are advised to seek the advice of the Monitoring Officer well before the meeting if needed.

🙋 Indicates Councillors are expected to make a decision (within the remit of the committee)
