To Note: Green Belt, Officers Report ([APPENDIX 3](#))

8m single storey rear extension to the main dwelling. Compliant under Permitted Development Policy.

Chigwell Parish Council:

The Parish Council asks EFDC to confirm that the 8m projection has been measured from the rear wall of the original dwelling and that any earlier extension joined to the proposal has been included. EFDC should also confirm that the 50% site coverage test has been carried out taking account of the other buildings shown on the submitted masterplan. The Parish Council raises no separate concern about the effect on neighbouring properties.

To **NOTE** and **COMMENT** if appropriate, Lawful Development Applications

17. PL145/26 - [EPF/1663/26](#) - Sheperds Cottage, Abridge Road, Chigwell, IG7 6BX

Certificate of Lawful Development for proposed ancillary entertainment space outbuilding. (Building F).

To Note: Green Belt, Officers Report ([APPENDIX 3](#))

Chigwell Parish Council: Adopt officer report

The Parish Council asks EFDC to satisfy itself that the size and intended use of the building are genuinely incidental to Sheperds Cottage and would not provide separate residential accommodation. The building is shown at the critical distance of 2m from the boundary. If any part is within 2m, the permitted height would be limited to 2.5m. As the masterplan is not to scale, EFDC should require an accurate measurement of the distance between the building and the boundary. Building F should also be included in the overall site coverage calculation.

18. PL146/26 - [EPF/1660/26](#) - Sheperds Cottage, Abridge Road, Chigwell, IG7 6BX

Certificate of Lawful Development for proposed ancillary outbuilding. (Building D).

To Note: Green Belt, Officers Report ([APPENDIX 3](#))

Chigwell Parish Council: Adopt officer report

The Parish Council asks EFDC to confirm that the gym is genuinely incidental to the use of Sheperds Cottage and would not be capable of use as separate accommodation. Its height, distance from the boundaries and position within the residential curtilage should be checked. It should also be included in the overall 50% site coverage calculation with the extension and the other proposed buildings.

19. PL147/26 - [EPF/1662/26](#) - Sheperds Cottage, Abridge Road, Chigwell, IG7 6BX

Certificate of Lawful Development for proposed ancillary swimming pool. (Building E)

To Note: Green Belt, Officers Report ([APPENDIX 3](#))

Chigwell Parish Council: Adopt officer report

The Parish Council asks EFDC to check the size, height, boundary distance and location of the pool and any associated building and to include it in the overall 50% site coverage calculation. As the

works will involve excavation within an area identified by National Gas as High Risk, EFDC should also confirm that the pipeline operator has considered this application and that the location of the pipeline and its protected area have been established.
